

Spring Learning

Phonics

Phonics, English and Maths

Phonics- we will continue to learn and revisit phase 2/3/4 phonemes and practise blending them to read new words.

Here is a link to support with pure articulation of sounds in phonics.

<https://www.youtube.com/watch?v=UCI2mu7URBc>

English- We will be learning to write simple sentences that we can read back and that can be read by others.

Maths- we will continue to consolidate numbers to 10, understanding their composition, representing numbers in different ways, gaining a deep understanding of each number. We will compare shapes, lengths and weights.

Themes

Calling all superheros-
People who help us

Living and growing -
Growing plants and life cycles

Surprise Reader

SHHH! I would like to start surprise reader. This is where each week a parent will come to Ash class to read a story. It will be at around 2.30pm for around 15 mins before assembly If you are happy to volunteer please contact the school office with dates available.

People Who Help Us!

I am looking for volunteers to come in and share their job role with us. E.G. vets, nurse, doctor, firefighter, police, farmer ETC. Please Email the office if you know someone who could help.

We would love to hear about any special moments or achievements your child has outside of school. Please use the WOW cards and pass them to the grown ups in Ash Class.

All children need their book bag, trainers, wellies (all named please) in school each day.

A named water bottle each day and a healthy snack for the morning.

Please ensure that your child is dressed appropriately for all weathers.

Please keep your P.E. bag in school all week, remove all jewelry and shoulder length hair needs to be tied back.

Dates for the diary

PE- Wednesday

Pipers Vale Trip- 24th February

Dentaid visit- 23rd February

Superhero Day TBC
